

One out of every three people will need blood in their lifetime. You never know when you or someone you love might be the one.

Please Give Blood...  
It's About Life.

**North Elementary School** is asking you to make a difference by donating at its blood drive on Tuesday, October 24. Blood cannot be manufactured, so its only source is through donations. If 20 or more units are collected **North** will receive a **\$250 Grant** with an additional \$1 for every unit of blood donated for hosting this school-sponsored blood drive. **Your donation saves three lives. Will you give?** If you have questions, please contact Tad Middleton at [tmiddleton@mvrbc.org](mailto:tmiddleton@mvrbc.org).
