

Mini-Art

At North Elementary parents have the opportunity to “bring out the artist” in all students. Each teacher is looking for a few parents to teach Mini-Art lessons with their class throughout the school year.

- We have art supplies and lesson resources at the school.
- You may also choose to use sources such as pinterest or videos to plan your lesson.
- You don't have to do it alone. Team up with your spouse, a friend or another parent volunteer.
- It only takes about an hour of your time to make memories with your child and give students an experience that will last a lifetime.

Be Creative - Have Fun!

Please contact Mrs. McLaughlin (assistant principal) at 463-2171 OR amclaughlin@altonschools.org if you are interested or have additional questions.
