

Lewis & Clark and North Elementary Parent Teacher Group Needs You!

What does LCNPTG do?

We support our school by organizing events, volunteering, fundraising, and assisting with funding for various school activities. We help Field trips/Play Day, dances, concerts, mini art sessions, book fairs, and other fun school events happen!

We support our staff by providing materials and supplies to the school that might not be covered by district funding. We celebrate our teachers, staff, and administrators with events like Staff Appreciation week.

We support our students by organizing various rewards and activities throughout the school year in recognition of outstanding students, individually and schoolwide.

Who can join LCNPTG?

Anyone who is the parent or guardian of a student at North Elementary or Lewis and Clark Elementary is eligible to join! There is no cost, and it is an amazing way to foster relationships within the school community. Worried you might be too busy to volunteer? There are opportunities to help that don't require volunteer time and/or can fit any schedule.
