A.M. Drop Off Procedures REMINDER

Due to the significant amount of traffic on Godfrey Road in the morning and for the safety of our students and families,

Parents must drop students prior to 7:50am each day.

If you arrive after that time, you will need to park in the back of the building and walk your child into the school.

Students arriving after 8:00am are tardy and must be signed in at the office.

News You Can Use from Nurse Reynolds

Did You Know...

The female louse lives up to 3 or 4 weeks and lay about 10 eggs per day. The eggs hatch in about 10-14 days. Once the louse leaves the nit (egg), it takes about 9-12 days for it to grow. Then the female can lay eggs.
